Halal Quality Control Group (HQC) Registration Status with BPJPH

Issue Date: 31st of May 2024

Issued by: Halal Quality Control The Netherlands (Headquarters)

Reference Nr: HQC.IND.2024.003

To Whom It May Concern,

We are reaching out to share an important update regarding Halal Quality Control's (HQC) ongoing registration process with the Badan Penyelenggara Jaminan Produk Halal (BPJPH) of Indonesia. With the impending implementation of Indonesia's new regulation, which mandates Halal certification for incoming food and beverage products (except prohibited items or materials) starting from the **17th of October 2024**, HQC is actively taking steps to ensure full compliance and readiness.

As of May 2024, HQC has initiated and completed its assessments for accreditation of two (2) of our offices: The Netherlands and Denmark.

The outcomes resulting in accreditation will be notified as soon as possible.

As mentioned in our previous notification letter, the HQC branches applying for accreditation with BPJPH include those in The Netherlands, France, Germany, Italy, Denmark, Belgium, United Kingdom, Ireland, Austria, Poland, Spain, and Hungary.

Although BPJPH has not yet conducted assessments in countries other than The Netherlands and Denmark, we are confident that this will be completed between June and September 2024. Our goal is to complete the accreditation process for all our applied offices well before the October 17th deadline, although the assessment duration for each country may differ.

We appreciate your understanding and patience as we navigate this comprehensive process.

Please contact us if you need any further information or clarification or have questions.

We are here to assist and promptly address your needs and concerns.
